Burns May Squeeze \$5,000 Out of

British Lemon and Then Use

the Squeezer on Palmer and

the French Champion.

and Gunner Moir. Moir's friends think their champion was in poor form when he met Burns before, and that he can make a better showing than he made that time. Lord Lonsdale has offered to back the Englishman for \$5,000 to stay six rounds and Burns has expressed entire willingness to accept.

The articles will be signed this week."

CCORDING to a cable from London, Tommy Burns is thinking of squeezing some of the lemons over again. The ticker says:

Even McCoy and O'Brien, those foxy ringsters didn't think of it.

All of which goes to show how they'll fall for anything in England. Who is

had to come home to America after three or four fights. If Burus fights Moir with purse and side bet depending upon his landing a knockout within six rounds, it will be an interesting affair. If he succeeds it will make the English

to an Englishman as to have to acknowledge inferiority. The decadence of the British fist-fighter may be taken as a symptom of the decadence of the English people as a fighting nation with other waspons.

heavies long before Burns's time, they and Canada?" I'm sur-

ounds, it will be an interesting allair. farm. So Naylor f he succeeds it will make the English took him throughter such a joke that fighting in (running a couple grand will probably die out. There's and to England lowed. Whatever
